# AI Website Creation & Vibe Coding

## From Zero to Your First Client

A complete 5-week practical program to build, launch and sell professional websites with AI, and to find, price and bill your first clients.

Live Zoom Session | Hands-On Learning | Recording Access | Mentor Support

*Build Your Future.*

**5 Weeks** Structured roadmap | **5 Modules** Foundation to business | **30 Lessons** Step by step | **100%** Practical learning

## Your 5-Week Roadmap

Idea to first client, one week at a time

### WEEK 1 — Web Foundations

FOUNDATION

WHAT YOU WILL LEARN

1. How the Internet Works
2. Domain & DNS Explained
3. Types of Web Hosting
4. Web Servers & cPanel Basics
5. Website Architecture (Frontend + Backend)
6. Setting Up Your First Domain & Hosting

OUTCOME — You understand how websites work and have your first domain and hosting set up.

### WEEK 2 — AI Website Creation

BUILD

WHAT YOU WILL LEARN

1. Introduction to AI & Vibe Coding
2. Using AI to Plan & Design Websites
3. Creating Websites with AI Tools
4. Modern UI/UX Design Principles
5. Building Responsive Pages (Desktop + Mobile)
6. Essential Plugins, Forms & WhatsApp Features

OUTCOME — You can turn an idea into a modern, responsive website with AI.

### WEEK 3 — Launch & Deploy

LAUNCH

WHAT YOU WILL LEARN

1. Working with Localhost / Sandbox
2. Moving from Localhost to Live Server
3. Uploading Files & Database Setup
4. SSL Installation & Security Setup
5. Final Testing & Performance Tips
6. Website Maintenance Basics

OUTCOME — Your website is live on a real domain, secure and tested.

### WEEK 4 — Find Your Clients

CLIENTS

WHAT YOU WILL LEARN

1. Choosing Profitable Niches (Top 25 List)
2. Google Maps Local Business Audit
3. Building Your Portfolio & Proof
4. Copy-Paste Outreach Scripts (WhatsApp & DM)
5. Pitching & Handling Objections
6. Follow-up System

OUTCOME — You have a repeatable way to reach local businesses.

### WEEK 5 — Price, Bill & Grow

BUSINESS

WHAT YOU WILL LEARN

1. How to Price Website Projects
2. Proposals & Agreement Template (50% Advance)
3. Client Billing, Invoicing & Delivery Process
4. Maintenance Plans & Upsells
5. Final Project Review
6. Your Next 30-Day Action Plan

OUTCOME — You can quote, contract, invoice and deliver like a professional.

BY THE END OF WEEK 5

**A live website, a client-ready pitch and a system to find clients.**

- A live website on your own domain
- A pitch, proposal and price list ready to use
- An outreach system for local businesses
- A portfolio project you can show to clients
- Templates for agreements and invoicing

Results depend on your effort and consistency. No income is guaranteed.
